

Step 4 – Maths

During Maths Week 1st class collected data for 3 minutes, based on the colour of vehicle that passed the school.

During Maths Week 4th, 5th & 6th participated in completing tricky maths puzzles.

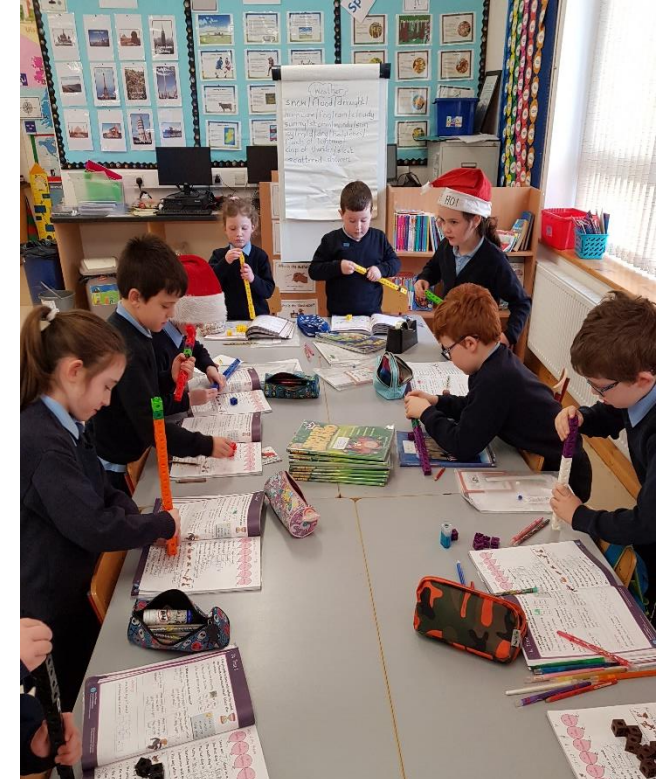

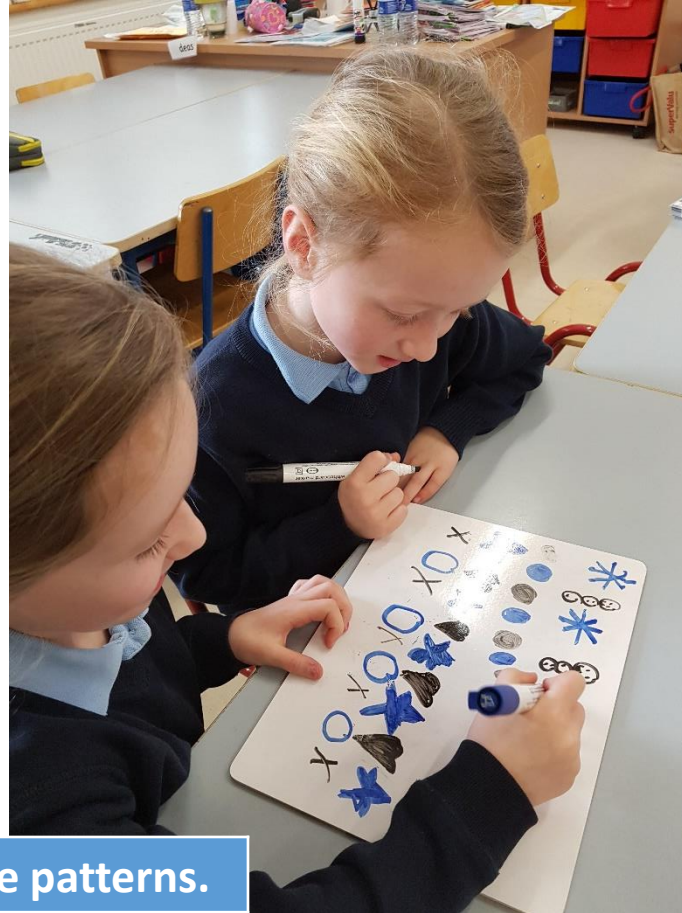

Maths

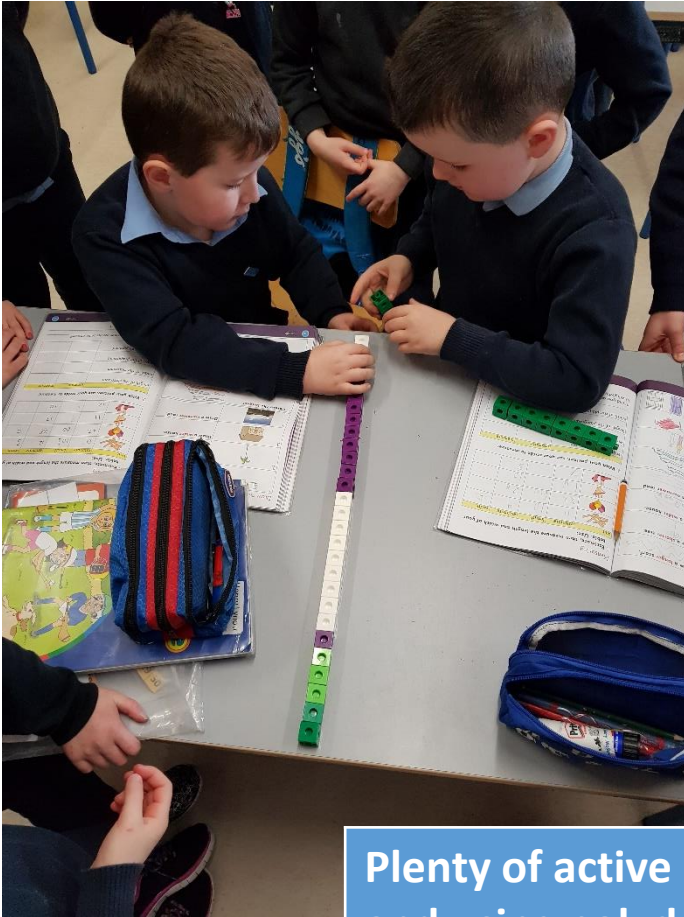

Izak 9 was utilised in the senior and middle rooms.

Maths

Active maths-timing how fast our bodies can carry out maths activities.

Maths

Plenty of active maths across the school, measuring tables using different resources and using polydrons to build various buildings.
